## New Year Brings New Board Members

In December we said goodbye to three of our board members who completed their board terms, Bruce Bergstrom, Jo Clepper and John Fales. We appreciate your thoughtful leadership and dedicated service to Oral Health Kansas!

We would like to welcome four new board members to OHK:

*Frank Clepper-President, Amerigroup*

## It's Not Goodbye... It's See You Around!

Marcia Manter has been a part of Oral Health Kansas (OHK) since before its incorporation in 2003. She played a role along with other stakeholders recognizing the need to have an oral health coalition in Kansas. She then became the Community Development Specialist for OHK providing consultation, numerous presentations and workshops that address oral health.

With a new year comes new beginnings for Marcia. Her role will shift from OHK employee to oral health advocate. As we all know, she is very involved in her community and her time will be devoted to Voter Engagement through League of Women Voter Johnson County and active participation in other state and community organizations that are committed to a vibrant democracy for all Americans.

Oral Health Kansas would not be what it is today without Marcia, and we are grateful to her for all of her years of service. We also look forward to working with her in her new capacity as a

volunteer.

To contact Marcia you can email her at [mmanteroh@gmail.com](mailto:mmanteroh@gmail.com).
