## Dental Champions Corner

Thank you Dental Champions Class VII for presenting at our conference! We had comments from several people saying how much they enjoyed learning about water fluoridation. Look for more information to come about how to get involved in the Dental Champions plans to protect water fluoridation.

## 2015 OHK Conference A Success!

From the OHK staff, we would like to say **THANK YOU** to everyone who attended our 2015 Oral Health Kansas Conference! We were pleased with how many people were able to be there and join us. It was a huge success!

We hope you found the conference to be informative and worthwhile. The goal of the conference was to bring together groups of people who are interested in improving oral health in Kansas and we believe we did just that! From the

## National Family Caregivers Month

November is National Caregivers Month. Oral Health America is celebrating with [Mosaic of Caregiving](#). Upload a picture of your favorite family caregiver. [Read more](#) on their website for tips to keeping your mouth healthy and other resources.

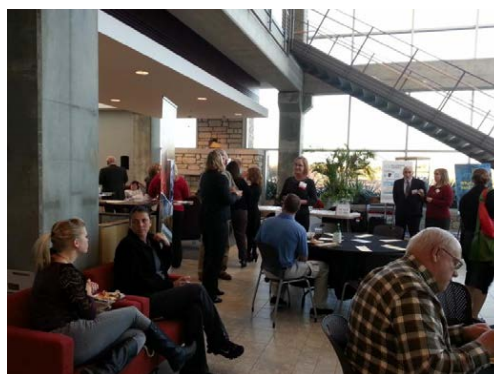

## Teeth for Tots

OHK staff Kathy Hunt and Marcia Manter provided an all day Teeth for Tots workshop to about 40 early Head Start and other early childhood education

attendees to the speakers, we all left with new ideas and stories to share.

The Power Point presentations for the Friday and Saturday sessions are now on our [website](#). Check back on the website for more conference pictures.

Awards night

home visitors in the NE Kansas area. The workshop consisted of education on various topics such as tooth decay process, fluoride, dental first aid, medications and oral health and many more!

---

## Drink Display

Our friends at Bonner Springs Elementary are enjoying our drink display this month. They even put it in their own glass display for everyone to see! It looks awesome!

If you are interested in reserving a drink display for December or the 2016 year, [email us!](#) It is free to use and shipping is reimbursed! This is a great way to remind families during the holiday season, how much sugar their favorite beverages have!
