November 21, 2018

Volume 9, Issue 48

Still Time to Register!

As we are prepping for our 15th Anniversary Luncheon Celebration for Tuesday, November 27, it has been heartening to look back at our partners and friends who have supported us! We are thankful for 15 years of hard work and collaboration, at both the local and national level, to help improve oral health in Kansas.

Our special guest speaker is Kansas Insurance Commissioner-elect Vicki Schmidt will join us and share some insights during the celebration! Senator Schmidt has been supportive of and a true champion for oral health policy throughout her years in Kansas Legislature.

Come celebrate with us!

When: Tuesday, November 27, 11:30am-1:00pm
Where: Foundry Event Center, 400 SW 33rd St., Topeka
Tickets are $50 per person or save and get a table of 10 for $400

Register here!

Oral Health Kansas Office Will Be Closed

The Oral Health Kansas office will be closed Thursday, November 22 and Friday, November 23 for staff to take time to enjoy with family! We wish everyone a Happy Thanksgiving holiday.

National Floss Day November 23

Perfect for the day after Thanksgiving! National Floss Day is Friday, November 23. The National Flossing Council picked this day because of the attention we give to food on Thanksgiving. They believe it's only fair to think about keeping our teeth clean after eating so much food. Flossing is a necessary part of oral hygiene. Removing the food between your teeth will keep your gums healthy. Flossing also helps to get rid of bacteria that build up on your teeth. Flossing has other benefits, too. Research shows it can help to keep your heart healthy. It has been discovered that periodontal disease can increase the chances of heart disease. By keeping your gums healthy, you lower your risk of certain heart ailments.

Congratulations to our executive director Tanya Dorf Brunner for being selected as a Public Health Hero.

Reserve a Sugary Drink Display Today!

What is a Sugary Drink Display? It's our drink display that has 10 popular beverages and shows how much sugar is in each. You can reserve a child drink display or an adult drink display for up to a month. Spots fill up quickly!

Please note that requests made less than 30 days before the display is needed may not be able to be filled.

To learn more about our Sugary Drink Display and to reserve one, click here.

Interested in purchasing a Sugary Drink Display? Great, email us at info@oralhealthkansas.org and we'll send you more info!
