## November 3, 2021

Volume 12, Issue 42

Today is a day to celebrate! We wanted to shout “Congratulations” to Amber Sellers, Dental Champions Alumni Class IV and former OHK Board Member for winning her race for Lawrence City Commissioner. Amber is the first African American

woman to serve as a Lawrence City Commissioner. We spoke with Amber earlier today and she said it still feels surreal. We are proud of you and your hard work! You deserve this achievement! (Read more about Amber’s victory in the [Lawrence Journal-World](#).)

## Instructions for Conference on Oral Health

If you signed up for the Conference on Oral Health for this week, November 4 and 5, make sure you are checking your emails! We sent out reminder emails as well as emails with log in instructions. ## Sugary Drink Display Sanitation

**Out of an abundance of caution, we are suspending use of the Sugary Drink Display until further notice.**

During this time, hand washing and social distancing is on everyone's mind. We want everyone to have the comfort of knowing we sanitize our sugary drink displays. They are wiped down and cleaned off after they have been returned.
