## New Fluoridation Voter Guide Available

Following the Wichita City Council's decision to ask voters to decide on the issue of optimizing the level of fluoridation in Wichita water, a voter guide was developed to help Wichita voters understand the facts about fluoride as well as how to vote on the issue in November. The guide is supported by the Wichita District Dental Society, Medical Society of Sedgwick County, Kansas Academy of Family Physicians, and Kansas Chapter of American Academy of Pediatrics. To learn more about the issue, see the wording on the November ballot and understand how to vote on the issue, please visit <http://fluoridevoterguide.com/>

## Did You Know???

**Bottled water  
doesn't contain the  
tooth-decay fighting  
fluoride, which is  
added to most  
municipal water  
supplies. Ditch the  
bottle and drink  
from the tap.**
