

ORAL HEALTH KANSAS

Our Mission:

To improve oral health in Kansas through advocacy, public awareness and education

Oral Health Kansas provides:

- Legislative, executive and administrative branch and community advocacy
- Weekly news updates
- Opportunities for networking
- Training opportunities, including the Dental Champions Leadership Program
- Opportunities to participate in coalition committees and other work groups.

Please support Oral Health Kansas' work. Donations help support the advocacy, public awareness, and education activities of the coalition. All contributions are 100% tax deductible. No goods or services are provided in exchange for contributions.
